PROFILE

Patience Mutagoma is a dedicated Policy Analyst with a Bachelor's degree in Technology in Economics and a Master's degree in Economics. She specializes in evaluating economic policies, market trends, and financial data to provide data-driven insights for policy development and public sector strategies. Patience is skilled in statistical analysis, economic modeling, and impact assessment, contributing to informed decision-making processes. With expertise in tools like SQL, Python, and Power BI, she transforms complex data into actionable recommendations. Passionate about economic development, she is committed to shaping policies that drive sustainable growth and positive societal change.

EXPERIENCE

POLICY ANALYST | MINISTRY OF ECONOMIC DEVELOPMENT

2022 - 2023

- Conducted comprehensive policy evaluations, leading to a 15% improvement in resource allocation for community development programs.
- Developed data-driven reports using SQL and Power BI to assess the economic impact of proposed policies.

JUNIOR POLICY ANALYST | WORLD POLICY INSTITUTE

2023-2024

- Analyzed global trade policies and provided recommendations that influenced the institute's annual policy agenda.
- Utilized statistical tools like R and Excel for policy impact assessments.

ACHIEVEMENT

• 2013 - 2015

Published policy brief influencing sustainable economic strategies.

• 2015 - 2020

Received award for outstanding policy contributions.
